If we and an "insured" disagree as to the amount payable under this coverage, the dispute shall be resolved by arbitration. Arbitration shall begin upon a written demand from either party.

- a. The parties may agree to a single arbitrator. A decision by the arbitrator will be binding.
- b. If the parties cannot agree on a single arbitrator, each may select an independent representative, who will then select a single arbitrator. The parties may then proceed with the single arbitrator by agreement. A decision by the arbitrator will be binding.
- c. If the representatives cannot agree on a single arbitrator within thirty (30) days or the parties do not agree on the arbitrator selected, each party will select an arbitrator. The two (2) arbitrators will select a third. If they cannot agree within thirty (30) days, either may request that selection be made by a court having jurisdiction. A decision by (2) of the three (3) arbitrators will be binding.
