 - a. The number of days reasonably required to repair, service, or replace the covered "auto" that is out of service; or

C. BLANKET ADDITIONAL INSURED

The following provision is added to subparagraph **1. Who Is An Insured** under paragraph **A. Coverage** as found in **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

d. Blanket Additional Insured

- (1) Any person(s) or organization(s) for whom you have agreed in writing in a contract or agreement that such person(s) or organization(s) be added as an additional insured on your policy.
- (2) The insurance afforded to such additional insured(s) described in paragraph (1) above:
 - (a) Only applies with respect to:
 - i. "Bodily injury" or "property damage"; or
 - ii. Sums an "insured" legally must pay as a "covered pollution cost or expense",
to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance, or use of a covered "auto".
 - (b) Only applies to the extent permitted by law.
 - (c) Only applies if the written contract or agreement is in effect during the policy period and was signed and executed by you before the "bodily injury" or "property damage" occurs or before an "accident" resulting in "covered pollution cost or expense" occurs.
 - (d) Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- (3) With respect to the insurance afforded to such additional insured(s) described in paragraph (1) above, the following exclusions apply:

This insurance does not apply to "bodily injury", "property damage", or "covered pollution cost or expense":

- (a) Resulting from or arising out of the sole negligence of such additional insured(s);
 - (b) Occurring prior to the date the written contract or agreement was executed and in effect;
 - (c) After your written contract or agreement with such additional insured(s) ends;
 - (d) After the requirement in the written contract or agreement to add such person(s) or organization(s) as an additional insured on your policy ends; or
 - (e) That the additional insured would have in absence of the written contract or agreement.
- (4) With respect to the insurance afforded to these additional insureds, the following is added to paragraph **C. Limit Of Insurance** as found in **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:
- The most we will pay on behalf of the additional insured is the amount of insurance:
- (a) Required by the contract or agreement described in paragraph (1) above;
 - (b) Available under the applicable Limit Of insurance for Covered Autos Liability Coverage shown in the Declarations,
whichever is less.
- This endorsement will not increase the applicable Limit Of Insurance.
- (5) This Coverage does not apply to lessors of leased "autos" or transportation network companies.
- (6) With respect to the insurance afforded to these additional insureds, the following is added to subparagraph **5. Other Insurance** under paragraph **B. General Conditions** as found in **SECTION IV – BUSINESS AUTO CONDITIONS**
- e. Regardless of the provisions of paragraph a. above, if other valid and collectible insurance is available to the additional insured for a "loss" we cover under this Coverage Form's Covered Autos Liability Coverage, our obligations are limited as follows:

- (1) This insurance is excess over any other valid and collectible insurance, whether primary, excess, contingent, or on any other basis, whether you can collect on it or not, unless you have specifically agreed in the written contract or agreement described in paragraph (1) above for this insurance to apply on a primary basis.

If you have specifically agreed in the written contract or agreement described in paragraph (1) above for this insurance to apply on a primary basis with respect to the additional insured, then we will consider this insurance to be primary. Our obligations are not affected unless any of the other insurance available to the additional insured is also primary. In such cases, this insurance will be primary and contributing with all such other primary insurance. We will share with all other primary insurance by the method of sharing described in paragraph (3) below.

If you have specifically agreed in the written contract or agreement described in paragraph (1) above for this insurance to apply on a primary and noncontributory basis with respect to the additional insured, then we will consider any other valid and collectible insurance that is available to the additional insured to be excess and noncontributing with this insurance.

- (2) When this insurance is excess, we will have no duty to defend the additional insured against any "suit" if any other insurer has a duty to defend the additional insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

- (b) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limit Of Insurance shown in the Declarations.

- (3) If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the "loss" remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
