Wine or Distilled Spirits Market Value

1. We will determine the value of "bottled winery or distilled spirits products", in the event of loss or damage, as follows:
 - a. Cellared, rare or vintage "wines" or spirits, if irreplaceable in the market, will be valued on the date of loss at the average market listing, had no loss or damage occurred, as determined by three well established and reputable wine merchants selected by us;
 - b. "Wine" or spirits in the state of process, including in bottles, tanks or barrels, will be valued at the lesser of:
 - (1) The three-year average wholesale market price of the "wine" or spirits, less unincurred costs (i.e. bottling, storage, labels, printing, labor), for that same varietal or vintage from the same vineyard; or
 - (2) If the three-year average wholesale market price described in paragraph (1) above is not available, the three-year industry wide average wholesale market price, less unincurred costs, for the same varietal or vintage; or
 - (3) The cost to replace the "wine" or spirits with "wine" or spirits of like kind, quality and state of fermentation, if replaceable;
 - c. "Wine" or spirits that are ready for sale, other than cellared, rare or vintage "wine" or spirits that are irreplaceable in the market, will be valued at the price the "wine" or spirits could have been sold for, as case goods, as of the time and place of loss or damage had no loss or damage occurred.
2. We will determine the value of "bulk wine or distilled spirits", in the event of loss or damage, at the lesser of:
 - a. The price the "wine" or distilled spirits could have been sold for as of the time and place of loss or damage had no loss or damage occurred; or
 - b. The market price of "bulk wine or distilled spirits" of like kind and quality as of the time and place of loss or damage.
3. All values exclude:
 - a. Unpaid U.S. Government Internal

Revenue taxes for which you are liable; and

- b. Discounts and expenses you otherwise would have had.

But values include State, County and Local taxes for which you are liable.

B. The following is added to the LOSS CONDITIONS of the BUILDING AND PERSONAL PROPERTY COVERAGE FORM:

Transfer of Rights of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover prepaid taxes or duties that are included in our payment, those rights are transferred to us.

We will not pay more than the Per Tree,

Plant, or Shrub amount listed in Schedule A of this endorsement for loss or damage to any one tree, plant or shrub. This coverage is excess over any other tree, plant or shrub coverage available.

- d. Contractual penalties assessed after the written contract or agreement ends.
