1. LIABILITY COVERAGE is changed as follows:
Paragraph **a.** of the POLLUTION EXCLUSION applies only to liability assumed under a contract or agreement.
2. DEFINITIONS
The definition of "covered pollution cost or expense" is replaced by the following:
 - D. "Covered pollution cost or expense" means any cost or expense arising out of:
 1. Any request, demand or order; or
 2. Any claim or "suit" by or on behalf of a governmental authority demanding that the "insured" or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

"Covered pollution cost or expense" does not include any cost or expense arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

 - a. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by "insured" for movement into or onto the covered "auto"; or
 - b. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraphs **a.** and **b.** above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

 1. The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
 2. The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.
